Sir,

I have the honor to state that the Hospital Assistant in charge of the Local Fund dispensary at Alur brought to notice that he has not been paid any advance to meet the cost of feeding in-patients in the dispensary. On a reference I find that no provision was made in the District Fund Budget of the current year which was lost sight of as the institution was a new one. This item of Expenditure is very necessary in the interests of the Institution and therefore I request you will be good enough to obtain sanction of Government for a grant of Rs 25/- which may be met from the general savings of the amount sanctioned from III, Hospitals and dispensaries under Civil charges of the current year.-

I have the honor to be
Sir
